A lot can happen in four years and the Leominster High School Class of 2004 is proof of that. From our arrival here in the fall of 2000 to our graduation in the spring of 2004, we have collectively taken part in a wealth of experiences. From our day to day classes, to the many exciting sports events, and numerous LHS traditions of rallies, proms, homecomings, breakfasts, and the like, we have learned, we have grown, and we have made friendships and memories that will last a lifetime. As graduation approaches and we go on our separate ways through the rest of our lives, we will always cherish our truly *Unforgettable* years at LHS.

2004

Class Advisors

Miss Tracey Levesque and Mrs. Wendy Rellstab

Dear Class of 2004,

Four years ago you entered Leominster High School as apprehensive freshmen not knowing what your future here would bring. Many of you did not realize the challenges that would lie ahead. We had wonderful accomplishments by our student body in many different ways. Our academic achievements were numerous. We excelled in sports, theater, robotics, and student government. We have always taken pride in our cultural diversity and our activities at LHS have shown that. As a class, you learned some valuable life lessons that will hopefully carry you through life. Unfortunately, we have also had our share of loss. When your classmate Ryan (Quazie) King passed away suddenly, it was truly amazing to see how you supported each other and have kept his memory alive. This is the true meaning of friendship, always being there for each other in good times and in rough times.

Please take these valuable lessons with you as you begin the next chapter in your lives. Always remember who your true friends are and hold them dear to your heart because no matter what you accomplish in your life, it means so much more when you have someone to share it with.

We have been honored to be your advisors for the past four years. We have enjoyed watching you grow into young adults with so much promise for the future. Please cherish your memories of Leominster High School as you continue the journey of life.

Best of Luck Class of 2004!

Tracey Levesque
Wendy Rellstab

Class Officers

Class of 2004,

Although some may argue whether or not high school is the best four years of our lives, it is safe to say that these past four years have been truly *unforgettable*. From the moment we timidly entered the doors of Leominster High School as freshmen until the moment we confidently roamed the hallways as seniors, we have created memories that will last a lifetime.

Reflecting on our class, we feel a sense of accomplishment and a sense of intimacy unparalleled by other classes, but we also feel a need for growth. We have reached our limits here. Now it is time for us to step out of the confines of our sheltered high school, and step into a world of boundless opportunities and challenges; however, we should not enter that world with fear. Through our experiences here, we have learned valuable lessons that have carefully molded and shaped who we are today, and as we cross over to a new era in our lives, we should cross with a sense of dignity and pride in the individuals we have become.

As we say our final goodbyes to our administration, faculty, and friends, we'd like to leave you with this quote:

"Come to the edge," he said.

"I can't. I'm afraid."

"Come to the edge," he said.

"I can't. I'll fall off."

"Come to the edge," he said.

I came.

He pushed,

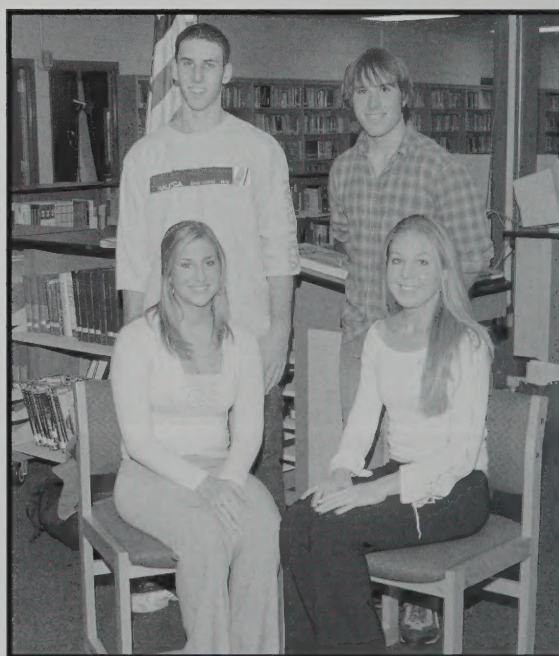

And I flew.

The only person that can limit you now is you. The world is out there full of challenges waiting to be conquered. Go confidently in the direction of your dreams, and you will not be disappointed.

Good luck.

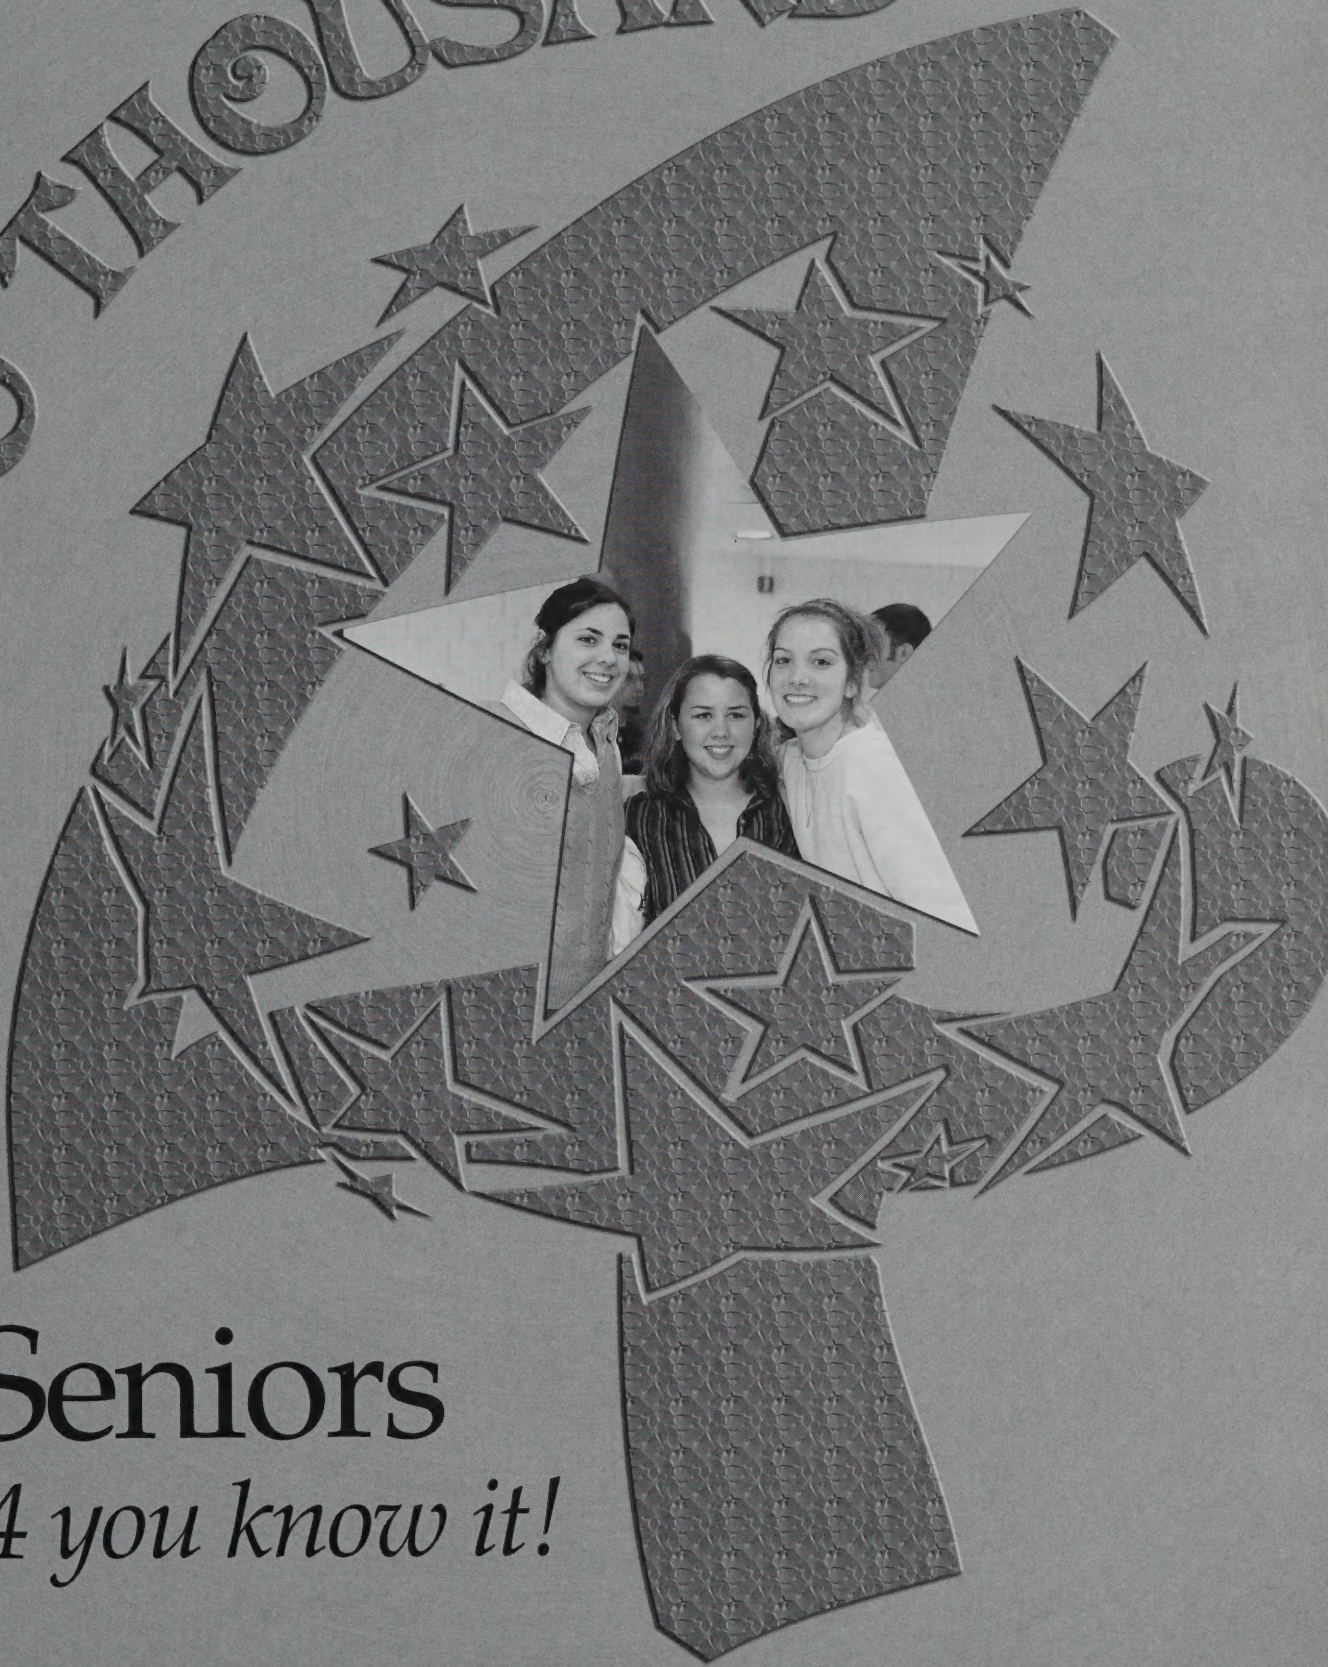

Sincerely,

Cara Bilotta, Willie Guerra, Erica Gasbarro, and Matt Rellstab

the Class of 2004

*In the hearts of all who
knew him...
his memory lives.*

Class

Freshman Year

The Class of 2004 entered Leominster High School as freshmen in August of 2000. Superintendent Dr. Joseph B. Rappa resigned and Assistant Superintendent Marilyn Fratturelli was appointed interim. We shared our first year with newly appointed principal, Dr. William Hart, and assistant principals, Mr. Dominic Ciccolini and Ms. Jane McGuire. They welcomed us along with CTE Director, Mr. George Luoto, and we were immediately turned loose into the A, B, C, D, E, F, and shop wings of LHS. It was intimidating at first, but we eventually found our way around and got down to the business of our high school educations.

Mr. Scott Hay was our dean and Mrs. Wendy Rellstab and Ms. Tracy Levesque volunteered to be our class advisors. We elected our first class officers, President Jonathan Richards, Vice President Tyson Lajoie, Secretary Elizabeth Itkowsky, and Treasurer Kaitlin O'Connell. This team helped guide us through an eventful freshman year. The Class of 2001, our seniors, initiated us with the traditional Freshmen-Senior week and we seemed to blend easily into the fabric of LHS. We elected Lisa DelleChiaie and Ryan McNarama our homecoming couple. Many of us joined sports teams and clubs for the first time. Some of us took part in the interclass plays; ours was appropriately "Baby." The all school play was "The Odd Couple" and the school musical was "Hello Dolly." At the end of the year we left to enjoy the carefree days of summer with a new sense of belonging and pride in our school.

Sophomore Year

August of 2001, we returned to LHS as sophomores. Mr. John Coughlin was our dean and class elections gave us a new slate of class officers: President Jonathan Richards, Vice President Cara Bilotta, Secretary Liz Itkowsky, and Treasurer Eleanor Mooney. We elected Jeff Ford and Becky Small as our homecoming court members. Our sophomore interclass play was "Karma & Variations on the Death of Trotsky" the all school play was "Don't Drink the Water" and the school musical was "Brigadoon." The Class of 2004 became a bigger force on athletic teams and in the classrooms of LHS. Together on September 11, 2001, in our classrooms at LHS, we witnessed the terrorist attacks on the Twin Towers and the Pentagon. We clung to each other for solace and a somber tone was set for the year. In an all school effort we raised over five thousand dollars for the Red Cross.

History

Junior Year

In August of 2002, we began our junior year at LHS. Mr. Edwin Ordway became our new dean and we elected our class officers: President Jonathan Buono, Vice President Cara Bilotta, Secretary Erica Gasbarro, and Treasurer Eleanor Mooney. We elected Jonathan Richards and Meghan McCarthy our Homecoming Court members. The junior interclass play was "Curse you Jack Dalton" the all school play was "Arsenic and Old Lace" and the school musical was "Anything Goes." Junior year brought us upperclassman status, more responsibilities and many new challenges including jobs, drivers licenses, Advanced Placement courses, PSAT's, and college searches. We planned and attended our Junior Prom, "Star Struck," with the realization that our high school years were almost over. As the class of 2003 approached their graduation, we looked on, anticipating our own. In June we left LHS looking forward to our final year. This was a very exciting year for LHS athletic teams. The boys soccer team was ranked 11th in the nation and the Blue Devil football team became Division I Central Mass Super Bowl Champions!

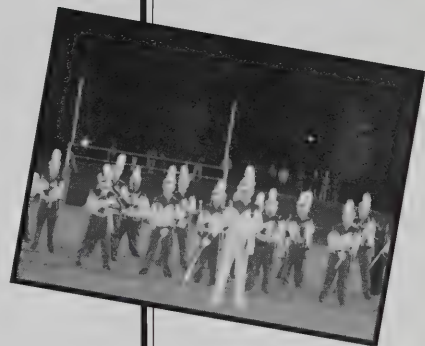

Senior Year

All too soon, August of 2003, we began our senior year. Mr. Tom Browne replaced Mr. Ciccolini as assistant principal and we elected our class officers for life: President William Guerra, Vice President Cara Bilotta, Secretary Erica Gasbarro, and Treasurer Matthew Rellstab. Our homecoming court members were Ginger Polley and William Guerra. Homecoming king and queen were Christina Murray and Jake Richard. The all school play was "10 Little Indians," and our interclass play was "All in the Timing." Our class enjoyed the Senior Breakfast and the Thanksgiving Rally and we took our class picture. Senior year brought many deadlines including college applications, senior pictures, and cap and gown measurements. It was both hectic and exciting at the same time. At mid-year, it began to hit us that senior year was quickly coming to a close. With college acceptances coming in and graduation day approaching, we felt nostalgic about our days at Leominster High School.

We hope this brief look back touches on some of your memories of our 4 years at LHS.

Farewell Class of 2004. Our Memories at LHS will forever be

Junior Prom

"Star Struck"

The most "Star Struck" night of our Junior year was April 12, 2003. Nearly the whole class gathered together at the Sheraton Hotel for our Junior Prom. The ballroom was filled with extravagant black and silver decorations. The tables were set with encribed glass cups and keepsake picture frames. Throughout the evening, we danced and shared memorable moments together. The prom left us "struck" with Un*four*gettable memories.

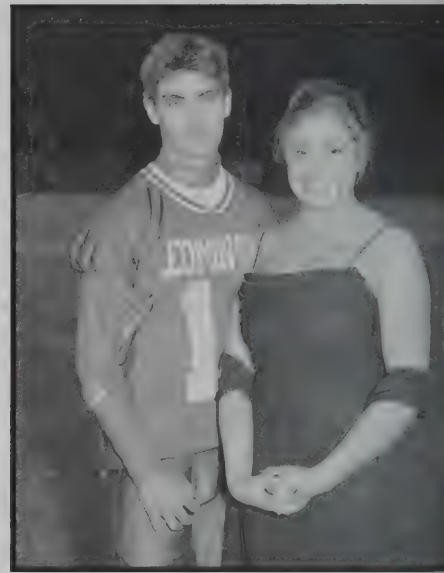

Homecoming

2003

On Friday, October 17, 2003, Leominster High School held Homecoming Festivities at Doyle Field. At halftime, Christina Murray and Jake Richard were crowned King and Queen. The court was made up of Seniors Virginia Polley and William Guerra, Juniors Jennifer Cavaoli and Benjamin Sanchez, Sophomores Kristian Santucci and Ross Cordio, and Freshmen Caitlin Emma and Matthew Booth.

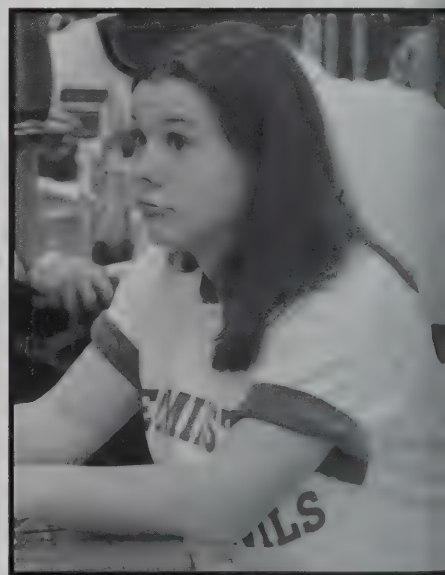

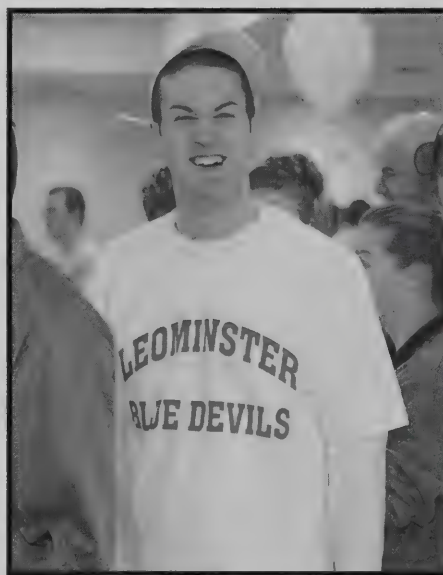

Senior Breakfast

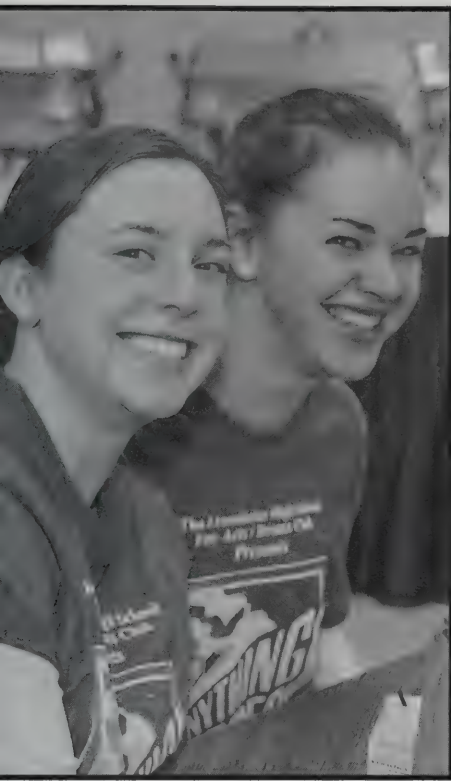

2003

SENIORS

On Tuesday morning, November 25th the Senior Breakfast took place in the cafeteria. The seniors and faculty mingled while enjoying a delicious meal of eggs, sausage, home fries, and french toast prepared by CTE. After breakfast and socializing, everyone gathered outside for the "04" picture. Then we headed back in to the rally, to get all pumped up for the big game on Thursday.

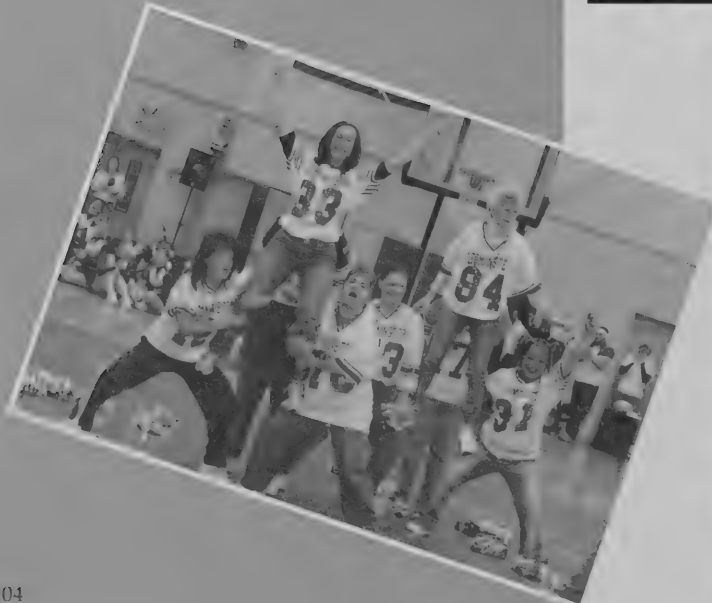

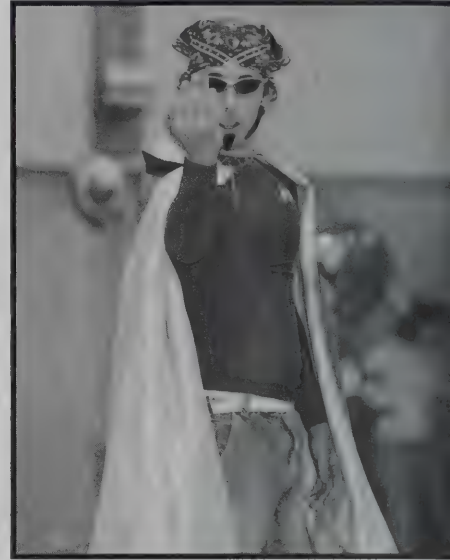

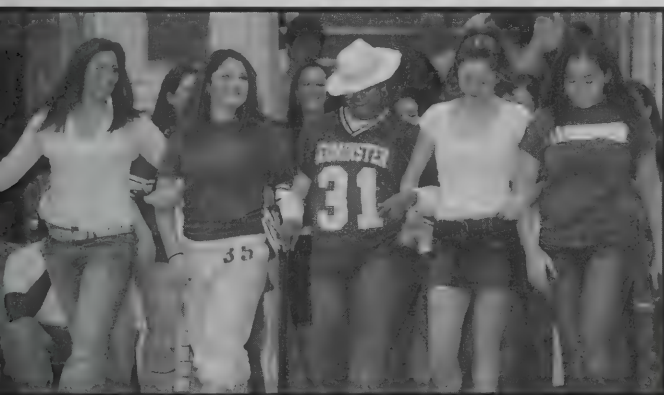

Thanksgiving Rally

On the Tuesday before Thanksgiving, the Class of 2004 staged a rally that will be remembered for a long time. School spirit was high and the fans were impressed by the presentations of the cheerleaders, band, senior moms, mock football players, and mock cheerleaders. The players were introduced and presented with flowers and balloons and entertained by the seniors who put on hilarious skits. Although the outcome was already known, everyone, enjoyed watching the Blue Devil destroy the Red Raider in high fashion. We all left looking forward to the big game.

Ten Little Indians

On October 24 and 25, and then again on October 31 and November 1, the Fine Arts/Drama Club presented one of Agatha Christie's most famous and ingenious murder mysteries "Ten Little Indians." Produced by Mr. Barry Lew, directed by Miss Andrea Mastroianni and Emily Page, and aided by an excellent set and stage crew, the results were memorable. The production starred seniors Natale Pirotta as Sir Walter Wargrave, Megan Godin as Emily Brent, Katie O'Leary as Ethel Rogers, Danielle Randall as Vera Claythorne, and Angelo Chandler as Fred Narracott. Supporting cast members included Will DeFrancesco, David Prescott, Courtney Bassett, Kenny Dignard, Ed Rivera, Leann Monat, Paul Wolfe, and Jessica Levasseur. Leominster High's theatrical standard of excellence continues.

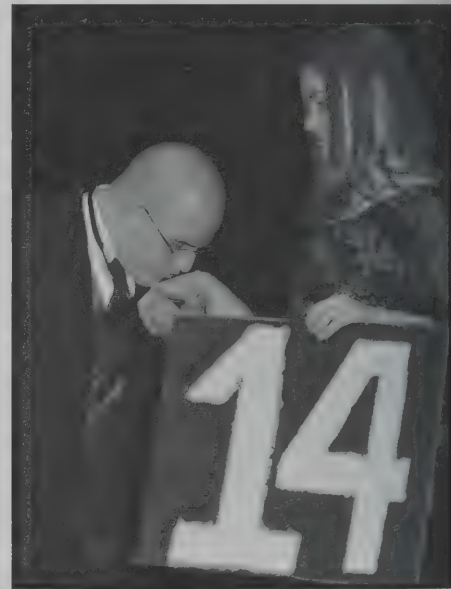

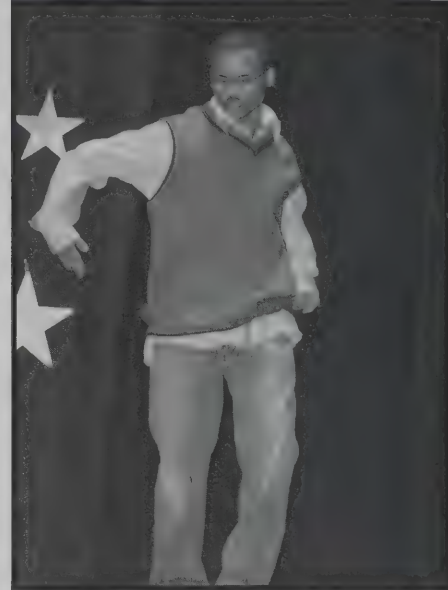

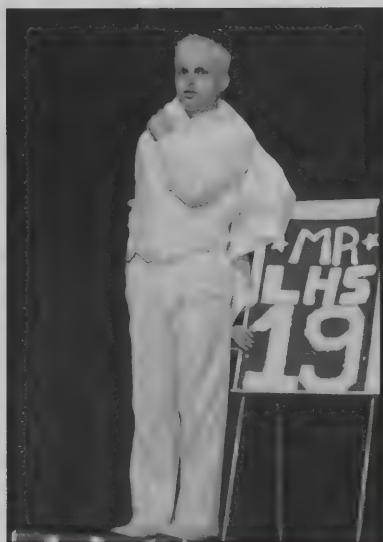

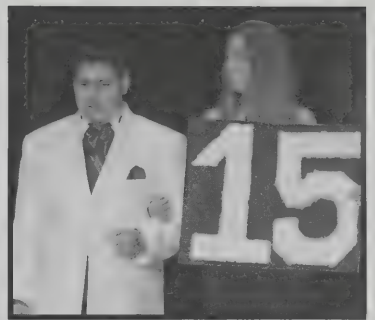

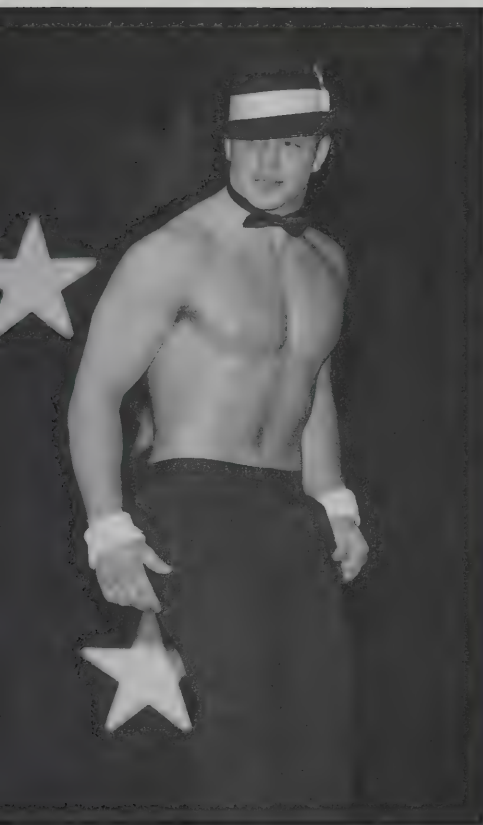

MR. L.H.S.

On January 29, 2004 the Yearbook Staff presented the third annual Mr. LHS Pageant in Cousins Auditorium. Eighteen of Leominster's finest posed in tuxedos and casual wear, performed skits, and answered questions hoping to be chosen the new Mr. LHS. Emceed by Mr. Steve Dubzinski and Miss Lee Zaramba, DJ'd by Mr. Ray Richard and sons Danny and Tim, and sponsored by Formal Attire, Mr. Tux, and Rene's Formal Wear, it was an evening of laughs and surprises. Kenny Milton took the Top Hat with Eddie Rivera 1st runner-up, and Shaquim Walker Mr. Congeniality.

Football

The 2003-04 Leominster High School Varsity Football Team had a very successful season, finishing with an overall record of 9 - 2 - 1. The team was led by Coach John Dubzinski and Senior Captains Tom Fallon, Ryan Rendon, Tim DiLillo, and John Ciccone. Members of the team showed dedication, stamina, and pride. The team gave their best effort on Thanksgiving morning but fell to the underdog arch rival Fitchburg High School. Despite the loss, this team was a credit to Leominster High School's football tradition with their outstanding record. With many talented underclassmen in the ranks, next season looks promising. Good Luck to the 2005 team.

The 2004 Varsity Cross Country team led by captains Greg Hoyt and Megan McGowan had a rough start but as the season progressed made great improvements. An abundance of dedicated underclassmen suggests great promise for the future. Top male runners were Eric Choudhary, Scott Vautour, and Jon Hoyt. Top female runners were Logen Ryley and Meg McGowan. Meg McGowan received this year's MVP award, while Mark McCaffrey and Chris DiMarco were the MIPs. Thanks go to Coach Cleaves and Coach Aubuchon for all their encouragement and support and best of luck to the team next year.

Field Hockey

Once thought of as a rebuilding year due to the loss of eight seniors the previous season, the 2003-04 Field Hockey team delightfully surprised the fans with a successful showing. The team ended with a 14-1-2 record and won the Mid Wach A League title. The Lady Devils, however, suffered a tough loss to Quabbin in the first round of Districts. Led by captains Cara Bilotta, Meagan Broderick, Liz Thomas, and seven other senior players, the team had a fun and successful year. Good luck to Coach Nicholson and next year's team.

Volleyball

The Girls' Varsity Volleyball Team had yet another productive season posting a 8-12 record in the tough MidWach A division. Using new techniques and ways of working together on the court the team improved. They worked to develop their skills regardless of the outcome of each game. The team was led by its numerous veteran members, while relying on its youth to be productive. The Junior Varsity had a tough start due to inexperience, but rallied back at the end after working on their skills. Both teams hope to be successful in the year ahead and look forward to great seasons.

Indoor Track

The 2003-2004 Indoor Track team had a memorable season. The team was lead by captains Brian Seymour, Alex Koroskinyi, Christina Murray, and Angela DiCiccio. Christina came in with an injured knee but still supported the team and did a wonderful job high jumping. Angela is a returning captain and an inspiring leader. The boys captain, Brian dominated the shot put event. The seniors led the team and set a positive tone. Karise Hilt and Jimmy Leader were first time track stars who brought in many wins. Special thanks to Coach Moryl and Coach Sacramone for their support and encouragement.

Sarah Henrie

Sarah Jane is your birth name,
But it was always Sybil or Matilda when we were trying to tame.

You are fiesty, you are funny, you have spirit and charm,
You've always been good, never giving reason for alarm.

You are coordinated, you are competitive,
At times your antics a little repetitive.

You have been a dancer, a cheerleader and of course there was gymnastics,
It seems whatever you try, your success is fantastic.

You can flip, you can twist, you can turn upside down,
You even showed up the street performers on our visit to Midtown.

The girls weekend in New York City was sure lots of fun,
Except when we lost you on 44th and you sort of came undone.

Here we are already at the end of your senior year,
The years past and ahead we will always hold dear.

Whatever the future holds, should your plans take you near or far,
Just remember how proud of you we both are.

Love always,
Mom and Dad

Maria Soo Picone

Across the ocean, miles away,
A baby's life began:
Our dream to have a child one day
Was now more than just a plan.

We had a daughter, the news was clear,
Born the 25th of June;
They told us she'd be ours to love
And said she'd be home soon.

Well that day has come, our baby is home,
She came here from Korea;
Our prayers are answered, our dreams fulfilled,
This dream we've named Maria!

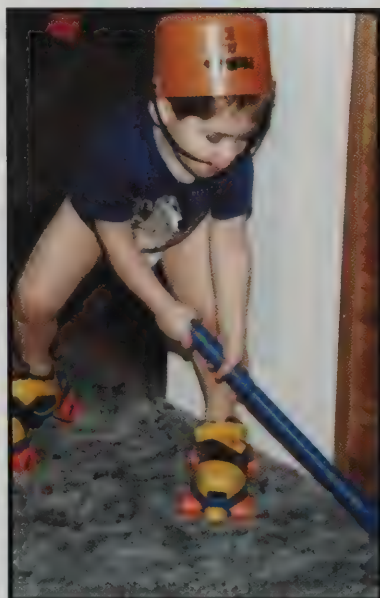

Maria,

It's hard to believe that we wrote these words 18 years ago! You have gone from baby to young woman in what seems to be a blink of an eye. From the day you were placed in our arms, you have made us so proud and thankful to be your parents. It is your turn now, to dream your dreams and make those dreams come true!

Love, Mom and Dad

Matt Aikey

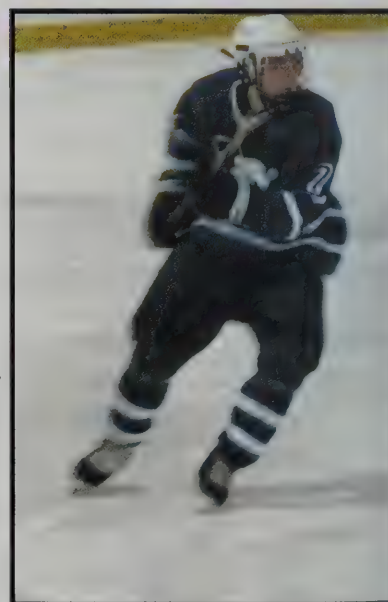

From Peen to Aikdawg...and #7 to #18
From diapers to boxes and places in-between.
From broken leg at Mickey D's
To a shattered ankle and yelling at me...

From chocolate milk to protein shakes,
From driving your "jeep" to lifting weights.
From Zoobilee Zoo to MTV
A special man you will always be.

You're "The Bus" to some and a "Beast" to all,
With tattoos on those arms, which are none to small.
You've grown out of mullets and fake helmets too,
Now fades and CCM will have to do.

You're the oldest of all, and I have to say
I'll miss you like crazy when you go away.
Be strong and be tough and always stand tall
You are the Aikdawg after all!!!

I Love You, Mom

Your memories will stay
Through the good and the bad,
Your smile and joy
Always made us glad.
The jokes you told
The faces you made,
The warmth of your
presence will never fade.
Remembering all the times together
Many memories will last forever.
Thoughts of you that
are always in our mind
Remembering friendships
that are hard to find.

You were a friend
to many of us
You were the friend
we could trust.
If you were to laugh,
Then laugh we must.
Your contagious laugh,
Your baby blue eyes,
When we lost your smile
It took us by surprise.
We'll miss you always
And we'll always know
That everyday you're with us
Especially when it snows...

Parents rarely let go of their children, so children let go of them. They move on. They move away. The moments that used to define them - a mother's approval, a father's nod - are covered by moments of their own accomplishments. It is not until much later, as the skin sags and the heart weakens, that children understand; Their stories, and all their accomplishments, sit atop the stories of their mothers and fathers, stones upon stones, beneath the waters of their lives.

“Suggestions for Success”

Learning is the beginning of wealth. Learning is the beginning of health. Learning is the beginning of spirituality. Searching and learning is where the miracle process all begins.

While you are in school, make sure you get the information. What you think about it, that's up to you. What you are going to do with it, that will soon be up to you. But while you are there, make sure you get it. In fact, my advice is – Don't leave school without it!
